

New Payment System Brings Online Convenience to Benton Community School District Parents

The Benton Community School District is now offering an online payment processing system, PaySchools, to allow parents to have easy and convenient online access to pay for their lunch account 24 hours a day, 7 days a week.

- Parents can make on-line payments by going to the school's Web site at www.benton.k12.ia.us, and accessing their Lunch Account. After logging into the Lunch Account there will now be a PaySchools link. On your first PaySchools access you will need to set-up your account information, then payments may be made either by an e-check or credit card. To ensure your security, PaySchools does not store personal bank or credit card information.

Contact Jane Svestka (228-8701 X119) or Donna Ludwik (228-8701 X118) with questions, for additional information, or for Lunch Account log-in information.
