

Enrollment and Elementary Sectioning Study Committee

October – December 2011

Purpose of the Ad-Hoc Committee

1. Develop an understanding of the school district enrollment data and trend information
2. Review and discuss information specific to elementary centers and grade level sectioning
3. Determine additional data points that are necessary for discussion prior to the committee providing a recommendation to the Board of Education.
4. Discuss administrative drafts that have been developed based on enrollment and sectioning information
5. Determine and discuss other draft proposals for elementary sectioning developed by the committee
6. Provide a recommendation on elementary sectioning to the Board of Education by December 21, 2011.
