In accordance with the Asbestos Hazard Emergency Response Act (AHERA), the Benton Community School District has developed an Asbestos Management Plan for each building effective July 9, 1989. Location of such plans are as follows:

All Building Management Plans

Administrative Office
304 1st Street, P.O. Box 70
Van Horne, IA 52346

Individual Building Management Plans

School Principal's Office	School Principal's Office	School Principal's Office
School Principal's Office		
Benton Comm. High School	Atkins Elementary School	Norway Elementary School
Keystone Elementary School		
600 1 st Street	216 4 th Avenue	100 School Drive
3 rd Avenue & 4 th Street		
Van Horne, IA 52346	Atkins, IA 52206	Norway, IA 52318
Keystone, IA 52249		

All plans available for public inspection during regular business hours at the locations shown above, and request to view such plans will be honored by the Asbestos Program Manager within five (5) working days of the receipt of such request. Copies of documents are available at \$.10/page from the Administrative Offices upon five (5) working days of the written request.

The Middle/High School building has been determined not to contain asbestos containing building materials, and therefore, will not receive semi-annual surveillance inspections.
